

FOR THE MOST FUN

BEFORE AND AFTER SCHOOL!

The YMCA School Age

program provides an environment where children can easily make friends, be part of a group, meet physical challenges, and know that they are liked, respected and appreciated.

For the times you can't be there yourself, the YMCA supports your efforts to nurture your child's healthy development. Well-trained staff provide safe and high quality care so you can have peace of mind while you work to help your family succeed.

The YMCA is proud to offer our IGNITE program to all of the children enrolled in our after school child care programs. By participating in this YMCA initiative to combat youth inactivity and obesity, children get healthy and fit by playing interactive games, learning about proper nutrition and eating healthy. And they become junior chefs too as they prepare healthy snacks themselves. All instruction is led by specially trained YMCA Youth Fitness Instructors.
