

## MAKE A DIFFERENCE

The Victory Family YMCA makes the Hampton Roads area healthier for everyone because we make sure our programs are affordable and accessible to all who wish to participate. Families who cannot afford to pay the full-price receive financial assistance scholarships made possible by friends like you who make charitable contributions to our annual Strong Communities charitable giving campaign.

This year, more than \$2.2 million will be awarded to help families afford child care, sports programs, swim lessons, art programs and membership to the Y. We rely on your generosity to help us. Together we make a difference.
