## IGNITE Interactive. Games. Nutrition. Inspiration Through Education.

### Children get active and learn about nutrition.

The Y is proud to offer our IGNITE program to all children enrolled in our after school child care programs. By participating in this YMCA initiative to combat youth inactivity and obesity, children get healthy and fit by playing interactive games, learning about proper nutrition and eating healthy. They also become junior chefs as they prepare healthy snacks themselves. All instruction is led by specially trained YMCA Youth Fitness Instructors.
